

A Season of Giving

DECEMBER 2014

Sunday

7 Sponsor a child for Christmas through a local organization.

14 Clip coupons--donate free items to shelters or expired coupons (up to 6 months) to the overseas military.

21 Keep peanut butter crackers in the car to give to panhandlers--it's better than cash.

Monday

1 Buy "cause wear" for Christmas gifts or put on your own Christmas list.

8 Donate your frequent flier miles or credit card points to charity.

15 Collect all of your spare change and dump it in the red bucket!

22 Do something kind for your cashier. This is a tough time of year to be working retail!

Tuesday

2 Send a restaurant gift card to an ill friend who lives far away.

9 Organize a canned food drive with your friends and neighbors.

16 Drive nicely. Let the other guy merge--maybe even more than once.

23 Take dinner to a single mom (or dad) or a wife with a deployed spouse.

Wednesday

3 Prepare a care package for a deployed soldier.

10 Clean out your closets and donate items you no longer want or need.

17 Donate to a pet shelter or volunteer to foster a rescue pet over the holidays.

24 Invite someone to Christmas dinner who would otherwise be spending the holiday alone.

Thursday

4 Organize a coat drive with your friends and neighbors.

11 Volunteer at your kids' school--read or do a craft with the kids and let the teacher take a break.

18 Pay it forward to a stranger in the drive-thru.

25

Friday

5 Donate hotel-sized toiletries to a homeless shelter or domestic violence shelter.

12 Invite friends to join you at church and for Sunday dinner this weekend.

19 Organize a cookie exchange or group gift wrapping session and invite a new neighbor.

Saturday

6 Deliver cookies to the fire or police station.

13 Offer to babysit for a mom in need. Bake Christmas cookies with the kids or take them shopping to buy her a gift.

20 Join a run (or walk!) that raises money for charity.
